## Junior Convenors Report

August 2021

Dear Club Members and Supporters,

I'd like to once again acknowledge the help and support from all our committee members, club members and other non-members throughout the season.

The junior 2020-21 season has reached its lowest membership, most likely due to Covid19 and after some off-season time to review the situation we are now faced with in order to rebuild our junior membership back up.

This season we have had professional junior coaching which has been carried out on a Sunday afternoon. This season we are proposing to move to the junior club day to a Saturday morning (sessions from 9am - 12pm), more details of this will come shortly. We will continue to run interclub training weeknights as allowed.

Our club could benefit from investigating further training options with Hutt Valley Coach Marc Paulik and perhaps running additional Hot Shots programmes during the week after school.

### Sponsorship:

We no longer affiliate with Stokes Valley New World, therefore we will be actively looking to local businesses for new sponsorship deals.

### Upcoming Junior Season:

Once again, "I encourage all of you to put forward your fresh ideas for the upcoming season. I believe that with current facilities this club could thrive, but in order to grow our membership further, I would like to encourage the committee & all senior members to provide support towards the junior members (and their supporters) where possible. I would like to see all of our club members integrate on regular occasions. This will help establish healthier relationships between all members and help the rise of junior members into senior level play".

### Interclub results:
